**PRODUCT SECTION 01**

Extra Virgin Olive Oil

*Cold-pressed from single-origin Turkish groves —
Aegean & Marmara regions.*

Premium extra virgin olive oil produced through cold-press extraction from carefully selected Turkish olive varieties. Available in bulk formats for industrial buyers and refined retail packaging for private-label programmes. Suitable for supermarket chains, specialty importers and food-service supply.

QUALITY ASSURANCE

Certifications & Compliance

Every shipment coordinated by Atatay Global Trading is supported by producer-level food safety compliance and full export documentation. Certificates are supplied with each order, matched to buyer and destination requirements.

HACCP

Hazard Analysis & Critical Control Points — producer-level food safety programme.

ISO Standards

ISO 22000 / 9001 aligned producers within our sourcing network.

Food Safety

Compliance with EU, US FDA and destination-market food safety norms.

Traceability

Batch-level traceability from producer lot to shipped container.

Export Docs

COO, phytosanitary, health certificates, EUR.1 and ATR provided.

Quality Control

Pre-shipment inspection at source, sample retention on request.

Producer certificates are supplied per shipment. Placeholder representation until buyer documentation package is issued.

BUYER VALUE

Why Buyers Choose Atatay

01

USA Registered Company

US-registered LLC with international sourcing operations.

02

Turkish Producer Network

Direct relationships with producers across key Turkish regions.

03

Competitive Factory Pricing

Sourced at producer level — no unnecessary intermediaries.

04

Private Label Manufacturing

Custom branding, packaging and label design services.

05

Global Export Experience

Coordinated shipping to Europe, MENA, Asia and the Americas.

06

Reliable Logistics Support

Container coordination through selected freight partners.

07

Quality Assurance

Pre-shipment quality control at source with sample retention.

08

Long-Term Partnership Focus

Structured for repeat, growing distributor relationships.

09

Distributor-Friendly Model

Exclusive territory discussions available on qualifying volume.

HOW WE WORK

Export Process

A structured eight-step process from initial buyer inquiry to delivered container.

1

INQUIRY

Buyer shares product, target volume, destination port.

2

QUOTATION

FOB / CIF / DAP / DDP pricing within 48 hours.

3

SAMPLES

Physical samples couriered for buyer approval.

4

PRODUCTION

Producer allocation and scheduled manufacturing.

5

QUALITY INSPECTION

Pre-shipment QC at source with batch documentation.

6

EXPORT DOCUMENTATION

COO, phytosanitary, health, EUR.1 / ATR issued.

7

SHIPPING

LCL, FCL and reefer coordination to destination port.

8

DELIVERY

Container tracking and arrival support at buyer port.

PRIVATE LABEL

Private Label Solutions

End-to-end private-label development for importers, retail chains and regional distributors. Build your own Turkish food brand — sourced, produced, packed and shipped under a single coordination partner.

SERVICES INCLUDED

◆ **Custom Branding**

Brand strategy and visual identity development for the buyer's market.

◆ **Label Design**

Multi-language label design compliant with destination regulations.

◆ **Packaging Design**

Jar, bottle, tin, pouch and carton specification and mock-up.

◆ **Product Sourcing**

Producer selection matched to buyer's quality and price target.

◆ **Export Logistics**

Documentation, container coordination and destination-port arrival.

SUITABLE FOR

- Importers
- Retail Chains
- Regional Distributors
- Supermarket Groups
- Emerging Food Brands
- Food-Service Operators
